Follow-on sessions were also conducted as a continuation of the 27 July 2016 briefing for the agencies/offices on 2, 4, 9, 11 and 18 August 2016.</p> <p>The call for submissions for TRIP FY2018-2020 started on 15 September 2016 through the Public Investment Program PIPOL, an internet-based platform which will be used as the database for amassing agencies' submissions. Deadline for submissions will be on 30 November 2016. The consolidated TRIP will consequently be presented to the INFRACOM by December for approval.</p> <p>The draft guidelines for the preparations of the RDIPs were also prepared by the NROs subject to the issuance of the national guidelines to be released by the NEDA Central Office.</p>
